NOTICE OF ASSESSMENT AND DEMAND FOR PAYMENT

Dear Sir,

Following a review of the information provided by your employer(s) for the year of assessment 1 July 2025 to 30 June 2026, the Commissioner of Income Tax has determined that insufficient tax was deducted under the PAYE scheme. This arose because two employments were held during the year and the allowances were applied to both.

Tax chargeable 2025/26	£6,842.00
Less: tax deducted under PAYE	£5,602.00
Balance now due	**£1,240.00**

The balance of **£1,240.00** must be paid on or before **30 October 2026**. Payment may be made online through the e-Services portal or in person at the Income Tax Office. Please quote your tax reference with any payment.

If you consider this assessment to be incorrect you should write to the Income Tax Office without delay, stating the grounds for your objection. If you are unable to pay the full amount you may request a payment arrangement before the due date. Amounts unpaid after the due date may be subject to surcharge and recovery action.
